BUNDALEER

2014 Stony Place Riesling Clare Valley

For all of us at Bundaleer, creating wine isn't just a business, it's something we love to do! In 2014 we sourced fruit from premium vineyards just south of the township of Clare. (The Clare Valley in South Australia is the home of Australian Riesling.)

A prolonged heat wave towards the end of summer and a drenching of rain on Valentine's Day had us on our toes checking and re-checking the fruit in the vineyard. The rain helped the thirsty vines and we harvested shortly after as the fruit flavours were just right.

Using only the free run juice we cool fermented the Riesling in stainless steel vats until dry. The nose is fragrant with aromas of orange blossom while the palate has salivating brown lime and tropical fruit flavours complemented by cleansing, zingy acidity. These are typical attributes of premium Clare Valley Riesling.

If you like aged Riesling this is one you can hide away in your cellar with confidence.
