2010 Cabernet Sauvignon

For all of us at Bundaleer, creating wine isn't just a business, its something we love to do! Our red wines are made exclusively from grapes grown at our family-owned and operated Bundaleer Vineyard, planted in 1998 in a former orchard area in the Southern Flinders Ranges region in South Australia.

Harvested in early April after a near perfect growing season, our single vineyard Cabernet showcases the typical regional Cabernet flavours.

Dense purple in colour, the nose exhibits aromas of raspberries, chocolate and plums. The palate is soft and mouth filling, dominated by concentrated red berry flavours and chocolate which is well balanced with velvety, silky tannins. We matured the wine in predominantly French oak for 18 months to enhance these tannins and to support the juicy fruit, which lingers on the after palate.

Given time, this wine will mature gracefully for eight to ten years as the tannins soften and develop in harmony with the fruit characters.

Decant before serving.

VARIETIES, 100% Cabernet
REGION, 100% Southern Flinders Ranges, South Australia
VINEYARD, Single Vineyard / Own Rootstock
HARVESTED, 1st April 2010 at 14.4°Baume, 3.0 tonne per acre
TECHNICAL, Alcohol: 14.3% pH: 3.54 TA 6.3 g/l
FOOD MATCH, Meat with stronger sauces or a cheese platter
WINEMAKER, Angela Meaney
