## 2011 North Star Rose

For all of us at Bundaleer, creating wine isn't just a business, it's something we love to do!

Our red wines are made exclusively from grapes grown at our family-owned and operated Bundaleer Vineyard, planted in 1998 in a former orchard area in the Southern Flinders Ranges region in South Australia.

Bundaleer Rose is made from a blend of our delightful Shiraz and Cabernet Sauvignon. The grapes were crushed and kept cold on the skins for 24 hours to achieve the lovely rose petal pink colour. Gentle pressing of the skins was followed by fermentation until we achieved the sweetness level we desired.

The nose is bursting with lovely raspberry, cherry and perfumed notes while the palate is rich with flavours of juicy strawberries and pomegranate. On the palate there is a slight sweetness with a crisp balanced finish.

Just right for drinking with friends on a lazy sunny afternoon, all year round.
